Dear Mr. Renfrow,

*On behalf of the Marian Servants of Divine Providence, we want to thank Charity Works for their support and assistance in procuring products for our new 20 bedroom retreat house. Charity works was instrumental in sourcing and negotiating discounted prices on products such as kitchen appliances, washer/dryers, bedding, towels, tables, as well as outdoor furniture. As soon as I called Chris with a need, he provided an array of businesses who were willing to provide wholesale prices that we would otherwise not have been able to obtain, being such a small organization. The overwhelming task of furnishing a 12,000 square foot retreat house became more manageable with Chris's help and advice.*

*As of November 2018, the Couderc Retreat House opened its doors and has been actively serving priests, seminarians and laity from around the world by providing a tranquil place for ongoing Spiritual formation and renewal. Those who have come on retreat are pleased to enjoy the comfort and beauty of the retreat house and Charity Works was a big part of its success.*

*Thank you Charity Works for being an invaluable partner in our mission! We feel tremendously blessed by your service to our community.*
