Dear Mr. Renfrow:

On behalf of The Salvation Army, I would like to thank you and your team at Charity Works for your assistance in securing needed items for our recent renovations of the living units at our Hope Crest Transitional Living Facility.

Your team most recently worked with our Property and Facilities Director in acquisition of appliances for nineteen apartments under renovation. This included refrigerators, stoves and microwave ovens. Our Property and Facilities Director noted that Charity Works provided better pricing than retail and there were no delivery costs – resulting in a substantial savings.

Charity Works' commitment to "Helping Those Who Help Others" is vital to the growth and enrichment of our community. We know we cannot accomplish all we need to do without working together, and Charity Works plays an important role toward saving time and financial resources for other non-profits so that we may then use those savings to provide direct assistance to those we serve.

Thank you again for your work in good stewardship of the limited resources available to all of us in the non-profit industry.

Many Blessings,

Michael S. Harris, Captain
Corps Officer
