## **A Thank you from the Outing Chair**

I am both honored and pleased to have served as this year's Golf Outing Chair. As you know, Charity Works is a wonderful resource in our community- raising funds that benefit thousands of disadvantaged and underprivileged children and adults. Net proceeds from this outing will benefit homeless veterans, human trafficking victims and students in Title 1 schools in the Tampa Bay area through the GIVE HOPE USA program. Thank you to the players and sponsors for your support today in this worthwhile outing.

I would also like to thank my clients who participated today. Thank you for your support today and, most of all, for your business and friendship over the past several years.

You make my job enjoyable and successful.

*May God bless each and everyone of you.*

*Mike Mastruserio, 2023 Chair*

**CREATED WOMEN - TAMPA IS A NON-PROFIT, NON-DENOMINATIONAL CHRISTIAN ORGANIZATION COMMITTED TO THE RESTORATION OF VULNERABLE WOMEN INVOLVED IN THE SEX INDUSTRY TO AN UNDERSTANDING OF THEIR VALUE, BEAUTY, AND DESTINY IN JESUS CHRIST.**

We believe that a growing, thriving relationship with Jesus is the context in which vulnerable women will find hope for emotional, physical, and social healing from the wounds that sexual exploitation and their involvement in the sex industry has inflicted.

By offering new life through a relationship with Jesus Christ, a message of identity (a name), a place for belonging and community (a place), and advocacy for the women (a voice) we hope to bring light, hope, and transformation to women caught in prostitution and other forms of sexual exploitation.

# **NOMORE**

**CONNECTING YOU TO THE LEAST OF THESE**

## **THE MISSION**

NOMORE is on a mission to connect people to care for the vulnerable. We believe community transformation is found at the intersection where awareness and mobilization meet. Through community-wide events, outreach projects, and trainings we provide direct opportunities for individuals, businesses, churches and organizations to be educated and engaged to meet needs and affect change in their communities and beyond.
