## 2013-2014 Testimonials

*"On behalf of everyone at UPARC Foundation, I would like to thank you for your part in supporting our work to provide a strong financial foundation for UPARC."*

*Linda Hamilton, Executive Director*

"Like Charity Works we help those that help others, specifically UPARC, Inc. We work solely to ensure they fulfill their mission to serve children and adults with developmental disabilities and special challenges.

This year we launched a technology upgrade project to bring the Foundation's hardware and software into a cohesive, secure and efficient system to enhance productivity and communication. Moving fast was critical as our servers were nearing capacity to manage our network. By connecting us to a local philanthropic business, Charity Works ensured we received two servers and a major expense was avoided.

It is important to everyone at the Foundation to keep expenses low in order to meet our goal of providing nearly a million dollars annually to UPARC."

*"As always, it is a pleasure to work with your very professional and proficient organization to provide resources to the students of Pinellas Schools." Peggy Johns, Specialist, PreK-12 Health Education of Pinellas County Schools*

"On behalf of Pinellas Schools and our elementary students I would like to express our thanks for Charity Works generous donation of dental hygiene supplies in 2013 through your Give Hope USA program. As always, your organization has provided a valuable resource that is greatly appreciated.

Our school nurses will distribute the toothbrushes, holders and dental floss to students in first and fourth grades when they present their dental hygiene lessons to students. Having these material items to take home will reinforce the lesson on the importance of conscientious dental hygiene. The families will appreciate the tools to help encourage the students to use these lessons at home."

*"Charity Works, Inc. has been, and continues to be a valuable partner in strengthening the foundations of community; thank you again." Teresa Hibbard, CFRE, Vice President, Financial Development of YMCA of the Suncoast*

"We are truly grateful for your recent inkind contribution of the Children's Oral Hygiene Kits for our Pinellas School Age Programs School Sites."

*"Thank you so much for your very generous in-kind donation of dental supplies for the Community Dental Clinic."*  
*Steve Heller, President, Board of Directors*

"It is only through the gracious generosity of people like you that we are able to provide this important access to dental healthcare for the underserved families of our communities, to help them to be free of pain and to attain quality of life for them and, in turn, our communities."

*"Because of Charity Works, we know that we are getting the best value in the marketplace and are achieving maximum efficiency of our resources. Thank you, Charity Works!"*

*Barb Green, HEP Founder*

"For 17 years, Charity Works has been an invaluable partner to the Homeless Emergency Project, Inc. (HEP). The collaboration is critical as it allows us to leverage our charitable funds to acquire needed products from vendors at a reduced price, thus saving us money so we can better deliver services and programs to men, women, and children in need. It is an everyday effort to keep up with changing prices in the marketplace."

*"Thank you so much for the donation of health and wellness products creatively packaged for our use."*

*Kathleen M. Kelly, Executive Director/CEO, The Kimberly Home*

"These products are adorable and could be assembled for a great fundraising opportunity for us. We are very grateful that you thought of us to benefit from this project. Faithful support from you and your organization is always much appreciated."
