## **ABOUT CHARITY WORKS, INC.**

Charity Works, Inc., headquartered in Clearwater, Florida, is an IRS §501(c)(3) non-profit organization whose mission is Helping Those Who Help Others®. Since 1996, the organization has been providing purchasing advisory services to benefit charitable, scientific and educational nonprofit organizations.

The organization provides job skills training for displaced workers, including young adults and seniors, in its Teach & Reach program and operates a wellness-medical aid program called GIVE HOPE USA®. This program provides economically disadvantaged individuals and families with health and wellness packs that contain basic food supplements, personal hygiene products and over-the-counter medicines. Generally, the packs are distributed through local participating nonprofit agencies and schools. Also, Charity Works operates a fringe benefit and customer loyalty program called CaringPerks® that rewards nonprofit employees for their community service and encourages active volunteerism.

Overall, Charity Works' programs and services are designed to promote a more efficient cycle of giving and benefiting local communities by developing relationships among and between donors, vendors and nonprofits.

With your financial support, we are able to continue serving many local charities and schools.
